

STELLA VALPARAISO 2 DRYSTAR® JACKET

WOMEN'S ALL WEATHER ADVENTURE TOURING / TECH TOURING

Jet Ventilation System (JVS) features large zippered air vents on torso and back, plus two-way zip vents on arms for cooling performance on long rides.

Removable waterproof and breathable DRYSTAR® liner with taped seams plus removable long sleeve thermal liner.

Designed and developed for a specific women's fit the Stella Valparaíso Jacket forms a formidable all-weather riding ensemble when matched with the Valparaíso Pant. The Valparaíso Jacket incorporates a waterproof and breathable DRYSTAR® membrane, plus a thermal liner for superb levels of comfort. Its Jet Ventilation System (JVS) air intakes and its ergonomic, class-leading CE certified shoulder and elbow protection make this jacket indispensable for long and short trips.

CONSTRUCTION

- Developed for a specific women's fit this multi-material main shell construction is highly durable, with abrasion and tear-resistant panels in critical impact areas with removable sleeves for riding in hot climates.
- Removable and interchangeable waterproof and breathable DRYSTAR® liner with taped seams to ensure waterproof performance.
- Removable long sleeve thermal liner means jacket can be worn in colder climates.
- Jet Ventilation System (JVS) features large zippered air vents with open mesh gussets on torso and back, plus two-way zip vents on arms for cooling performance on long rides.

SAFETY FEATURES

- Removable CE-certified shoulder and elbow protection for superb impact protection.
- Chest and back pad compartments with PE padding (Alpinestars' Nucleon chest and back protectors available as accessory upgrade).
- Anatomical, pre-curved sleeve design incorporate Velcro® volume control adjustment straps for improved comfort, fine-tune adjustment of garment and to help keep elbow protections in place.
- Increased reflective detailing and logos for increased rider visibility.
- Fully compatible with Alpinestars' Bionic Neck Support models.

COMFORT AND CUSTOMIZATION

- Collar construction incorporates comfort lining and features Velcro® and magnet closure system. Collar includes expansion gusset for increased neck coverage.
- Accordion stretch inserts on elbows for improved fit while riding, plus waist adjustment belt for customized fit and secure closure.
- Elongated rear profiling for comfort and protection in the riding position.
- Pre-curved, articulated sleeves with gusseted Velcro® cuffs enhance fit and comfort in the riding position.
- Highly water resistant external storage provided by two chest front waterproof zips and an internal waterproof wallet pocket.
- Convenient storage options with two front cargo style pockets and large rear utility pocket.
- Premium YKK zippers with twin sliders on front zipper, plus waist connection zipper for secure attachment to Alpinestars riding pants.
- Available in international sizes **S-2XL**.
