- x Interchangeable with a choice of Alpinestars' compatible riding jackets for all-weather and everyday use, the Tech-Air™ street airbag system offers you the highest levels of protection and versatility, combined with

true convenience and usability.

- x Switching the system on before your ride is as simple as zipping up your jacket and regardless of motorcycle or scooter type, age or model – Alpinestars' Tech-Air™ is there to protect you all the time; whatever the bike, season or surface.
